Certificate of Insurance Requirements

1. Customers are required to provide Vermeer Rocky Mountain with proof of valid insurance and coverage on all equipment rentals.
2. Insurance coverage must be sufficient to replace the rented equipment in the event of equipment damage during the course of the rental and if the damage results in a loss.
3. A certificate of insurance will be required prior to the release of equipment. Customers may provide a COI for each rental or a blanket COI annually.
4. The specific machine being rented needs to be listed on the COI for make, model, serial number and replacement costs, unless the customer has rental/lease coverage in which case the limits need to be listed.
5. The minimum coverage is required for all rentals:
 - Property damage - \$1,000,000 per occurrence
 - Bodily Injury including death - \$1,000,000 per occurrence
 - Rental/Lease coverage – Minimum \$250,000 per occurrence
 - Indemnification clause
6. The certificate holder shall be:
 - Vermeer Rocky Mountain, Inc
 - 7710 S. Frontage Rd
 - Billings, MT 59101
7. Vermeer Rocky Mountain shall be listed as Loss Payee and Additional Insured
8. Machines will not be released to a customer without the COI provided at time of pickup and the rental coverage verified by a representative of Vermeer Rocky Mountain.
